IV. COORDINATION QUESTIONS

Draft framework for the preparation of a system-wide plan of action for African economic recovery and development

1. At its 46th meeting on 8 June, the Committee considered the draft framework for the preparation of a system-wide plan of action for African economic recovery and development (E/AC.51/1991/CRP.1).

2. Delegations welcomed the opportunity to comment on the draft outline in order to provide the Secretariat with further guidance on the preparation of the system-wide plan of action.

3. Some delegations noted the approach proposed by the Secretariat in paragraphs 16 and 19 to 26. They stressed that in following this approach, the Secretariat should use as a model the Plan of Action on Drug-abuse Control. They further emphasized that the objective of the plan of action should be to provide a basic framework for activities of the system, to be implemented on a phase-by-phase basis in support of the economic recovery and development of Africa. The plan should clearly indicate resource requirements and steps to ensure their availability to organizations of the system for its implementation.
